For starters lets take a quick look back at the hoax that callous, unscrupulous con-artists did to my yahoo account. As most of you are aware my yahoo email was invaded and taken over by people who used my yahoo email address to mislead you unsuspecting friends into believing that I was stranded in England and needed money. What did they get? They got my entire address book and the emails in the IN and OUT blocks and nothing else. I hope that no one was gullible to this hoax. They sent the below message to my 'friends' hoping that some would respond. Whew...and in the aftermath of this hoax Patty and I have sat back and reviewed what had happened and realized that it was time to take a break from the DOOL production for the month of January. Below you will read that Bill Simons is cutting back on posting queries to him

**THE HOAX EMAIL**

S6 2UB

Write me immediately so that i know when you will have sent it, scan and send me the western union money transfer receipt or just write out the details on the receipt and send to me. this mystery is enough..

Thank you

The first to call was Bill Simons who knew that it was a hoax, but wanted to make certain that it wasn't. That was the first of many phone calls to alert us of what was happening. To all of you Patty and I thank you for your kindness.

We turned on to our yahoo account and it was completely gone. What we lost was the address book and everything else that was provided by yahoo.com.

All the while we were working to get the word out that our yahoo account had been invaded and that our main internet provider was now our email address: asagreenhornet@comcast.net

Identity theft is the criminal act of assuming someone else's identity for some type of gain, normally financial, and it can happen in different ways. For example, a thief can use a victim's personal identifying information to gain access

## SIGNS OF THE TIMES

AN EMAIL FROM MY GOOD FRIEND, BILL SIMONS, THE DET 4 WEBMASTER

Hi Elder Green and Ron Sowinski,

Must be getting old and lazy but I find making additions to the Sinop site to be more work than I wish to continue with and I have other projects where I wish to spend my time and attention.

The site will remain up as it is as of today and I DO PLAN TO CONTINUE updating Ron Sowinski's Det 4 rosters and the monthly DOOL newsletters, for as long as you both wish to send them along. No problem, glad to do it. They're both quick and easy for me (when I remember!).

My health is good but I seem to have trouble finding time to look after the other contributions to the website.

I dread the thought of someone sending along their biography and 50 photos after I promised to set up a personal page for them some years ago.

Elder, I will suggest to people to send their emails to you with comments and information about their time at Sinop if you don't mind. I think that you are handling many of these already. Let me know if you have any questions. Bill

My response: I, too, am getting burned out and will continue only as long as other vet's assist me in finding other ASA Turkey vets.

The PMO and part of the huge antenna field at Det 27

Below are photo's from the files of the late Mark Hamilton who back in the late 1990's set up a website for TUSLOG Det 27 and maintained it until his employment in Florida was terminated and he moved to Hamilton, Ohio. Mark attended the third ASA Turkey at Seven Springs, PA and showed hundreds of his photo's at the reunion. He, like Bill Simons were the pathfinders of the Det 4 and Det 27 webpages.

## IN SICK BAY

KYPTA, Donald B E7 Det 4, 66-DE67, (Annie) 8787 Grand Ave., Manassas, VA 20110, 703-368-0726

Tony Antonello informs that Don Kypta who served at Det 4 as a E7 DE66-DE67 is going through some tough health problems at the Prince William Hospital in Manassas, VA. Tony knew him from his tour at Arlington Hall and also from the monthly gatherings of old-timers at the Woodbridge, VA VFW. He can't stand and has muscle spasms in his back... He had problems with the gout and his new right knee was swollen so they operated on that twice, draining the fluid build-up. Also he had infection in his left ankle which the drained. A few days later he had to have more cleaning up in his Right Knee and also surgery on his right wrist. To top that off he had heart palpitations and had to move into the heart ward. To see him you have to be sterile. I get up dates from his wife Annie, and she says he is hanging in there but is in a lot of pain...

I don't think he will be out of the hospital for some time. According to his wife he will have to go in a nursing home for some time because he can't walk. Standing is just out of the question for him now...

He is in room 2204 in Prince William Hospital at 8609 Sudley Rd., Manassas, VA for now. If you know SGM Kypta give him a call at 703-369-8448

Will send more information if his status changes... Steve Kolstad, [farfar8625@verizon.net](mailto:farfar8625@verizon.net)

Hi Elder, a Happy New Year from the frozen north. Ernie and I send best wishes for a joyous, healthy and prosperous New Year. I wanted to tell you I got an email from Jim Houghton and he sent me the latest DOOL, as we have not received one since before the last reunion. I was wondering where the next reunion will be and have just read the DOOL to find out it will be in Ohio. Hope all is well with you and you had a great holiday.

The reunion is Labor Day weekend and prime hunting time for our guys, but I am trying to convince old Ernie to let it go this year and let the boys handle it. Don't know if you knew but he had to have a defib/pacemaker implanted in August after going into heart failure again, which they had to shock his heart back into a normal rhythm. He was good until mid Dec when his ticker went haywire again and they had to do another shock treatment on the 30th. He is back in rhythm again, but his heart is only working at 20%. They are tweaking his meds to see if they can improve that, but in the meantime we are back to somewhat a normal routine and he is feeling much better. We are heading for Vegas next week for 3 weeks, so we are hoping all will be well for us. We also have tickets to come home end of May thru 14 June. It's Ernie's family reunion and we like to take some time at Virginia Beach.

Didn't mean to get carried away, I just wanted you to know we are not getting the DOOL and if you could give that message to Chuck, we really enjoy reading it. What a surprise to see my photo with Gary Powers!!!! Thanks, Fran

[edited] Elder, I know you had to change your email address, lost in England with no money hoax, etc. The above is my correct TUSLOG Det 4 data where I worked as the Aviation clerk (71L) even though I was trained as a 05H at Devens. Toni and I have attended ASA Turkey reunions at Fort Mitchell, KY, Myrtle Beach, SC and Norfolk, VA. I'm a retired Vermont State Police detective sergeant.

Thanks for the info on Don Aines. I had a nice hour's chat with Don Aines today. Hard to believe it's been 40 years. I pulled up Senator Reitz's web page. I may try to talk to him a little later.

Dear Elder,

Hear you're having an email address switch, et al. Forgive me if this is redundant, but keep me on your list as follows:

Stubbs, Steve (Det. 4, 63-64), MOS 283.1, DOB 3APR43, currently at: [pstubbs@carolina.rr.com](mailto:pstubbs@carolina.rr.com), mail to: 808 N. Main St., Lowell, NC 28098 (704-824-5446). Wife: Penny. Attended reunion at Myrtle Beach. Hope to attend more. Especially interested in what recollections people have of "KBOK," the sometimes-on-air, the sometimes-landline "radio voice" of The Hill. I rebuilt it with help from several people in early '64...would like to document what its' status was at various times from beginning to end of ASA personnel on The Hill. That's my "specialty."

Thanks for all you do, Best regards, Steve

WAITE, Daryl L., E3-E4, Det 66, DE63-JA65, (Hope), 33 N. Washington, Carthage, IL 62321, 217-357-2884, [k9jpg@hotmail.com](mailto:k9jpg@hotmail.com)

Daryl was not ASA, but was stationed at Manzarali with duty at Det 66. He has been a faithful contributor to my DOOL's that included a cassette containing 8mm film of his many trips in Turkey, the FOCK ROCK series and most recently he sent me a CD with all of the DOOL's on it. Daryl was one of the guest speakers at the Northern Kentucky reunion in 2006 and calls me mostly every month with tidbits, etc. Thanks Daryl- -gH
