## “DAYS OF OUR LIVES”

ASA Turkey Veterans' Memory Bulletin

**Founded by 1<sup>st</sup> Sgt. Elder Green ASA Retired**

“The Army Security Agency / Turkey Reunion Group” was started in the year 2000 by retired 1<sup>st</sup> Sgt. Elder Green (Det 27) ASA. On the first of every month he has published a news bulletin regarding the memories and the good times of all the ASA Veterans while serving in Turkey. Also, every year he has held a reunion someplace in the USA.

At the present time his health is not good. He has neuropathy in both legs and unfortunately there is no cure for it. Other than the neuropathy problem, Elder is in pretty good health for an 82-year-old youngster.

Elder couldn't organize the last three reunions, so a reunion committee was formed to help him with the planning. The committee is made up of four ASA Turkey Vets (they were the only volunteers) Chuck Bergmann, Mike Comroe, Luther Jones and Dean Lapp. They have organized the last three reunions, including this year's reunion in Virginia Beach. We have attached three documents for you all to review if you are interested in coming to this year's reunion. Our reunion organization is a great group of “Turkey Veterans” and we are sure that you and your wife will enjoy yourselves while attending this year's reunion in Virginia Beach.

We (our organization) are in **dire need** of one or several Turkey Vets to take over writing the monthly or bi-monthly or even a quarterly DOOL. Please step up and volunteer now! Contact Dean Lapp or Chuck Bergmann via e-mail or phone if you are interested.

Presently, Elder's old computer isn't functioning correctly, and it needs a major tune up or better yet, a new laptop or computer would be even better. He is having a hard time getting to his computer room and doesn't get to it very often. Rather than sending him e-mails, please send him mail by the old postal service. Mail and cards would be welcome at this time. His mailing address is 3094 Warren Rd. Indiana PA 15701. His home phone is 724-471-4899, and cell phone 724-388-2510. Please contact him!

## TOURS

There are four field trip tours planned for this year's reunion. **These planned tours will only materialize if we get 35 individuals to sign up for them by August 1, 2019.** Reservations for each tour will be accepted on a first come first reserved basis. Your payment for these tours will not be accepted until the tours become a reality, which will be sometime in the middle of August. At that time, you will be notified by us that the tour(s) that you chose will become a reality or it was cancelled. The first three tours to become booked will be the only tours. The fourth tour will be eliminated because we only have three days available for touring the sites. If none of the planned tours receive the necessary 35 reservation by August 1st dead line, then there will be no tours for this year's reunion.

If you signed up for one or more tours, you will be picked up in the morning of your tour at the front of the hotel by bus and you will be returned to the hotel by the same bus. **The cost of the tour includes the cost of the bus, the tour guide and the admission charge.** Lunch is not included. You will be allotted time to eat lunch at the site.

There is a **separate registration form** for you to complete and send back to us if you are interested in participating in a tour(s). Just follow the instructions on that registration form. Send back your tour form right away.

### **\*IMPORTANT**

October is the touring company's busiest month of the year!

Our tour(s) is on a **first come first scheduled basis** with **all the other groups that are scheduling a tour with them.** **We aren't guaranteed a tour until we have 35 people who have returned their registration forms to us.** If you really want to take one or several tours, then **send back your registration form today.**

**You aren't required to send any money at this time,** just the registration form.

The bus will hold approximately 50 people. However, 35 people are required to reserve the bus. **Send back your registration NOW!**

## The Reunion Members Report

The reunion members are working hard on making your reunions better each year. We listen to all the suggestions that are made and consider what each person said. We then discuss the suggestions that were made among ourselves and if we feel that they are worthwhile or justified we will make the necessary changes. We also review the good and bad points and what transpired at our last reunion.

Some of the changes that have been made in the last two years are:

1. Doing an adjustable budget prior to the reunion with monthly adjustments based on the number of registration forms returned. Therefore, you need to get your registration form sent back to us as early as possible.
2. Having the members pick their top preferred location for the upcoming reunion.
3. The Treasury has a reserve now just in case we have a reunion crisis. The Individual(s) who signed their name on a reunion contract won't have to use his own funds to pay a bill if something goes wrong. We have been running multiple raffles each year and have increased the amount of dollars won and the number of individuals winners. We have used the reunion share of the raffle money to build an emergency reserve in the checking account. Some of the ASA Reunions have a yearly fee. But, thanks to our raffles we don't have a yearly organization member fee. Let's not forget the Vets who donate money every year. We are now at the point that we can consider giving back some of the raffle funds in some special way at next year's reunion.
4. We are now spreading around the work load between the four members as evenly as possible. Up until three years ago Luther and Edna Jones did 80% of the manual labor. They were both worn out and dead on their feet at the end of each reunion. This was not fair to either of them. But, thank goodness we had them working on the past reunions.

## Speaking of Spreading Around the Work Load

The following committee members are **looking for volunteers**, please consider volunteering.

### **Chuck & Helen Bergmann**

They will be handling the registration table at this year's reunion on Sunday. They will also be handling the notifications via texting you prior to an upcoming event. They will be available for any technical requirements.

### **Luther & Edna Jones**

They are the Food and Beverage managers. They will be responsible for what happens in the Hospitality Room each day. Yes, they need (lots of) help. **Please volunteer!**

### **Mike & Jane Comroe**

They will be handling all the raffles and picking the winners. They also will be running the giveaway of the door prizes and picking the winners. Yes, they too need help. Please donate a door prize gift and buy lots of raffle tickets. **Please give and buy!**

### **Dean & Debbie Lapp**

They will be handling the tours. Debbie will be helping wherever she is needed. Dean will be collecting the money and paying the bills. He will also be handling all complaints and problems that might occur at the reunion. He will also be the sergeant-at-arms.

## New Members

Let us **Welcome** our new Turkey Reunion Member "**Chuck Hopkins**". Chuck and his lovely wife will be joining us for the first time at our Virginia Beach Reunion. Chuck was a "76T" at Det. 4 (Sinop) in 1976 and 1977. He lives in the great city of Medina and the great State of Ohio (Go Bucks). If you were in Sinop at that time, please e-mail him a welcome message at [chuck1joy@yahoo.com](mailto:chuck1joy@yahoo.com) . More info will be made available on Chuck when it becomes available. Chuck and I are planning on getting together for lunch in the near future.

Let us **Welcome** our new Turkey Reunion Member "**Larry Brandal**". Larry presently has some health issues and may not be joining us for our Virginia Beach Reunion. Larry was a "98C". He also lives in the great city of Medina and the great State of Ohio (Go Bucks). His e-mail address is [lbran77769@gmail.com](mailto:lbran77769@gmail.com). More info will be made available on Larry when it becomes available. Larry and I are planning on getting together for lunch in the near future.

## Old Photos and very Old Photos

We received an e-mail and a couple of photos from Jay Goodman this week. Part of his e-mail said "1<sup>st</sup> photo - Roomies in **Sinop 1972**, Lynn Bontrager & Jay Goodman. **ASA MP's**. 2<sup>nd</sup> photo, **Gatlinburg** reunion **2017**, Lynn Bontrager & Jay Goodman. Wow, what happened to us?"

Jay also mentioned that he felt that the Gatlinburg, TN Reunion was the best reunion that he ever attended. We can't help but wonder if that was his first reunion or what. The good news is that he is coming to the Virginia Beach Reunion in October.

## WOW, here are some “I don’t believe” PHOTOS

We received an e-mail from Mike Comroe and a couple of photos. In his e-mail he said that he **was elected President of the USA**. Not sure what he said about Trump and why he replaced him, but he did send us a newspaper clipping about his swearing in celebration. Secondly, he mentioned that **their pet dog “Oscar” had won 1<sup>st</sup> place** in a kennel show in February. Mike sent us a photo of their family dog. Also, notice that President was wearing his ASA shirt.

## You're never too old to learn something new

Just ask the Bergmann's. On a cold, snowy and windy winter Sunday afternoon Chuck and Helen Bergmann decided to take up the sport of axe throwing.

## New ASA Reunion Organization

Kevin Reichley (Det 4 Sinop), from Delaware, Ohio, has started the "Ohio ASA Reunion Group". Their first meeting was back in September 2018. They had a turnout of 38 Ohio ASA Vets that attended the first meeting in Columbus, Ohio. Their next meeting will be in May 11, 2019. The exact time and place of the meeting will be announced shortly. Kevin said there are around a hundred vets that are interested in attending this year's Ohio Reunion. Anyone wishing to join the Ohio ASA Group should contact Kevin Reichley. His e-mail is [kevin.reichley@gmail.com](mailto:kevin.reichley@gmail.com) and his cell number is 330-472-8972.

## Retirees Can Be Court-Martialed for Crimes Committed After Service

Per "Military.com" the U. S. Supreme Court has upheld the Defense Department authority to prosecute retired service members for crimes they commit, even after retirement. For more information go to "Military.com" and see their article on line.

## Where to temporarily e-mail Info for the DOOL

Until Elder gets his new laptop or computer, please e-mail or mail to either Chuck Bergmann or Dean Lapp with all of your DOOL information, photos or anything else of interest. We will see to it that Elder gets a copy of it.

**PLEASE** review the information on this year's REUNION in Virginia Beach, and then complete both registration forms and return them to Dean Lapp ASAP or sooner. Thank you.

Looking forward to seeing you all in October.

### Tour sites synopsis:

#### Tour A

Depart via motor coach for the charming town of Williamsburg. Your tour guide will provide interesting and informative narration during the ride about the historic Virginia Peninsula and the Coastal Virginia area.

Experience a full day touring this living museum, with admission ticket providing entry into the many exhibition buildings, including the Capitol and the Governor's Palace. See the introductory film, "Story of a Patriot", tour historic homes, public buildings and 18th century craft shops where costumed hosts recreate the sights and sounds of America 200 years ago.

Guests will also enjoy free time to shop and browse in the many unique specialty shops in Merchants Square. High quality apparel, gifts, jewelry, beautiful furniture and holiday decorations are but a few of the offerings found in this quaint, picturesque shopping area. Guests may enjoy lunch on their own in one of the Colonial Taverns or in Merchants Square. The guide will point out all the dining options as you pass through town.

## **TOUR B**

Board the motor coach with your tour guide and spend the morning at Jamestown Settlement. Established in 1607, this was the first permanent settlement in the New World. Guests will enjoy touring the re-created village of Jamestown which chronicles the nation's 17th century beginnings in Virginia in the context of its Powhatan Indian, English and western central African cultures. Jamestown represents an enduring legacy of language, culture and government. Through an introductory film, "1607: A Nation Takes Root," and expansive 30,000 square foot indoor exhibition galleries, guests will discover the political, social and economic factors that led to the colonization of the New World, the culture of the Powhatan Indians of coastal Virginia at the time of the English arrival, and the first century of the Virginia colony when Jamestown served as its capital. Outside, history comes alive in re-creations of a Powhatan Indian village, a colonial fort, and the three ships - Susan Constant, Godspeed and Discovery - that transported English colonists to Virginia in 1607. Costumed historical interpreters demonstrate work and everyday life of the era and engage visitors in a variety of activities. Lunch can be enjoyed on your own in the Jamestown Café and there will be time to browse the beautiful gift shop for unique "Made in Virginia" items.

Next, travel to nearby Historic Jamestown Island, original site of the first permanent English settlement in America in 1607. Exhibits include ruins of the 17th century settlement, a beautiful visitor's center as well as the 1639 Church Tower, the only 17th century building still standing at Jamestown, and one of the oldest English built structures in the United States. Also visit the Orchidarium, a newly built exhibition facility which displays and interprets the archaeological discoveries at the first permanent English settlement in the New World and the birthplace of America. The Orchidarium is built over the remains of the last Statehouse in Jamestown (1600-1688) and shows portions of the excavated ruins of the Statehouse through sections of glass flooring.

## TOUR C

Join your tour guide on the motor coach and visit the American Revolution Museum at Yorktown, which tells anew the story of the nation's founding, from the twilight of the colonial period to the dawn of the Constitution and beyond. Exciting new indoor galleries feature period artifacts, immersive environments, interactive exhibits and films, including "The Siege of Yorktown," with a 180-degree surround screen and dramatic special effects. In the outdoor living-history areas, guests can witness artillery demonstrations, drill with wooden muskets at a re-created Continental Army encampment and explore a Revolution-era farm based on a real-life 18th-century family.

Enjoy lunch on your own in the quaint village of Yorktown.

Then visit the Yorktown Battlefield to see first-hand where the battles took place. Begin at the visitor's center and then view the Revolutionary War battlefields and associated sites. Your guide will point out areas of interest.

## TOUR D

- Travel with your tour guide to **Nauticus**, a unique and thriving campus of visitor attractions that explores the economic, naval, and natural powers of the sea. Features here include a series of interactive exhibits, 3D, high-def films in the 250-person theater, and aquariums of marine life. Also housed here is the Hampton Roads Naval Museum, one of ten museums officially operated by the U.S. Navy. Highlights of the naval battles and exhibits of detailed ship models, artwork, and memorabilia are showcased throughout.
- A true highlight of any visit to Nauticus is a self-guided tour of the **Battleship Wisconsin**, one of the famous Iowa-class ships. This great ship saw action in WWII, the Korean War and most recently in the Persian Gulf War. The Wisconsin is permanently berthed beside Nauticus where it is accessed by a connecting walkway. Explore the main deck and recently opened portions of the interior to learn about this famous ship, those who fought and served on board and the role that this mighty warship has played in the defense of our nation.
- Visit **Waterside District**, Norfolk's unique waterfront festival marketplace located on the scenic Elizabeth River, for lunch on your own. Waterside offers a variety of eateries, from sit-down restaurants to casual counters. Indoor and outdoor seating are both available.
- Next cruise the **Victory Rover** through the bustling Hampton Roads Harbor, one of the largest in the world. Enjoy fascinating and entertaining commentary during

the two-hour excursion aboard this naval themed vessel. Take in the sights of aircraft carriers, nuclear submarines, guided cruisers and all the other ships that form the world's most powerful armada.

- Then, visit the **MacArthur Memorial** for a glimpse into our country's history. Here you will view the outstanding collection housed in Norfolk's historic city hall which trace the life and achievements of five-star General Douglas MacArthur. You could also view the short film which chronicles the General's life.

The General and Mrs. MacArthur are entombed in the rotunda of the memorial. Nine separate galleries arranged in two levels circle the rotunda and tell the story of General MacArthur and the millions of American men and women who served in the United States Armed Forces from the Civil War through the Korean War. A gift shop with unique memorabilia is located on the premises.
