On the first of every month the DOOL is published. It's a news bulletin regarding the memories and the good times of all the **Army Security Agency Veterans** while **servicing in Turkey**.

Our organization is in **dire need** of one or several Turkey Vets to take over writing the monthly or bi-monthly or even a quarterly DOOL. Please step up and volunteer now! Contact Dean Lapp or Chuck Bergmann via e-mail or phone if you are interested.

*****Where to temporarily e-mail Info for the DOOL.**

Until Elder gets his new laptop or computer, **please e-mail or mail to either Chuck Bergmann or Dean Lapp** with all your DOOL information, photos or anything else of interest. **We will see to it that Elder gets a copy of it.**

ARMY SECURITY AGENCY / TURKEY REUNION GROUP

STATIONED AT

1967 / 1968

The following is a brief synopsis regarding Elder:

“The Army Security Agency / Turkey Reunion Group” was started in the year 2000 by retired 1st Sgt. Elder Green (Det 27). On the first of every month he has published a news bulletin regarding the memories and the good times of all the ASA Veterans while serving in Turkey. Each year he has held a reunion someplace in the USA.

At the present time his health is not good. He has neuropathy in both legs and unfortunately there is no cure for it. Other than the neuropathy problem, Elder is in pretty good health for an 82-year-old youngster.

Presently, Elder’s old computer isn’t functioning correctly, and it needs a major tune up or better yet, a new laptop or computer would be even better.

At the present time he is living at rehab facility about ten minutes from his home. Rather than sending him e-mails, please send him mail by the old postal service. Mail and cards would be welcome at this time. His mailing address is 3094 Warren Rd. Indiana PA 15701. His home phone is 724-471-4899, and cell phone 724-388-2510. Please contact him!

Editor’s Note: Speedy recover Elder, you’re on all the members’ prayer list!

REUNION UPDATE

FOR ALL ASA VETS WHO SERVED IN TURKEY

VIRGINIA BEACH, VA

Sunday afternoon **October 13, 2019**
Thru
Wednesday evening **October 16, 2019**

Currently there are twenty-six (26) rooms booked at the Springhill Suites Hotel in VB. That calculates into forty-seven (47) veterans and their partners who have signed up to attend this year's reunion.

REMEMBER, reservations for attendees must be made no later than August 29, 2019. After that date the hotel will release our unreserved rooms back into their general rental system and they have the option to accept reservations at our special rate or at the going sales rate. **IMPORTANT, we presently have only eighteen (18) more rooms reserved for our reunion.** So don't wait until the last minute to make your reservation, because you could be paying the going room rate or not have a room.

See the following pages to see who has signed up so far to attend this year's reunion.

TOURS

There are four field trip tours planned for this year's reunion. **These planned tours will only materialize if we get 35 individuals to sign up for them by August 1, 2019.** Reservations for each tour will be accepted on a first come first reserved basis. **Your payment for these tours will not be accepted until the tours become a reality,** which will be sometime in the middle of August. At that time, you will be notified by us that the tour(s) that you chose will become a reality or it was cancelled. The first three tours to become booked will be the only tours. The fourth tour will be eliminated because we only have three days available for touring the sites. If none of the planned tours receive the necessary 35 reservation by August 1st dead line, then there will be no tours for this year's reunion.

If you signed up for one or more tours, you will be picked up in the morning of your tour at the front of the hotel by bus and you will be returned to the hotel by the same bus. **The cost of the tour includes the cost of the bus, the tour guide and the admission charge.** Lunch is not included. You will be allotted time to eat lunch at the site.

There is a **separate registration form** for you to complete and send back to us if you are interested in participating in a tour(s). Just follow the instructions on that registration form. Send back your tour form right away.

***IMPORTANT**

October is the touring company's busiest month of the year! Our tour(s) is on a **first come first scheduled basis** with **all the other groups that are scheduling a tour with them.** **We aren't guaranteed a tour until we have 35 people who have returned their registration forms to us.** If you really want to take one or several tours, then **send back your registration form today.** **You aren't required to send any money at this time,** just the registration form.

The bus will hold approximately 50 people. However, 35 people are required to reserve the bus.

Send back your registration NOW!

The following is the number of people that has signed up for each tour so far:

Tour A	07
Tour B	14
Tour C	12
Tour D	09
Undecided	18

Editor's Note: if you are planning on attending this year's reunion, **PLEASE**, send in your registration forms now! You don't need to send any money at the present time.

LIST of VOLUNTEERS:

Knipper, Bill & Sherri

Please pass along to Luther & Edna Jones, that we can help in the hospitality room.

Hollowell, Herb & Sandra

Just lei us know where we can help.

Editor's Note:

The Committee Members would like to thank the above folks for volunteering to help at this years reunion.

VOLUNTEERS

REUNION WORK LOAD

The following committee members are looking for volunteers, please consider volunteering.

Chuck & Helen Bergmann

They will be handling the registration table at this year's reunion on Sunday. They will also be handling the notifications via texting you prior to an upcoming event. They will be available for any technical requirements.

Luther & Edna Jones

They are the Food and Beverage managers. They will be responsible for what happens in the Hospitality Room each day. Yes, they need (lots of) help. **Please volunteer!**

Mike & Jane Comroe

They will be handling all the raffles and picking the winners. They also will be running the giveaway of the door prizes and picking the winners. Yes, they too need help. Please donate a door prize gift and buy lots of raffle tickets. **Please give and buy!**

Dean & Debbie Lapp

They will be handling the tours. Debbie will be helping wherever she is needed. Dean will be collecting the money and paying the bills. He will also be handling all complaints and problems that might occur at the reunion. He will also be the sergeant-at-arms.

Connie Brehm informed us that her husband Vance Brehm passed away on March 28, 2019.

Vance served at Tuslog Det 4, Sinop in 1960-1961. Connie said that over the years, he remained in contact with several of the men he served with in Sinop.

Vance's ASA Cap

After Sinop, Vance went to Frankfurt and played basketball on the Big Blue team.

Vance was stationed at ft. Devens in 1959, then he was stationed at Sinop, Turkey in 1960 and then at Bad Abling, Germany in 1961.

Connie shared some additional information on Vance:

Vance was born December 3, 1936 in Carlisle, Pennsylvania. Carlisle friend Jack Barbieri and Vance enlisted in the Army at the same time and served in Sinop together. Vance made other life-long friends with some of the men he served with at Sinop.

He loved sports (basketball, volley ball, softball, tennis & golf) and when he wasn't participating, he was watching sports on TV. Fishing, planting a vegetable garden and woodworking also occupied his time.

His work in communications first took him to our Embassy in Djakarta followed by Athens, Accra, Prague and Bern. We had a break stateside before one last assignment in England before returning to the states. We moved to Bend thirty years ago.

Vance passed away in Bend, OR on March 28, 2019.

Editor's Note: Connie, thank you for notifying us of your husband passing. Please accept our deepest sympathy in your loss.

Mike wrote to the editors of the DOOL about his two weeks cruise.

April 17, 2019

We returned home last Friday (04-12-19) after over two glorious weeks cruising to Half Moon Cay, Costa Rica, Aruba, Curacao, and Colon, Panama. Port of departure and return was Key West.

I returned with my usual Bronchiolitis from plane flight and have been a miserable SOB ever since; probably more so than my usual nastiness. Cruise was great and had great weather the whole two weeks with the exception of the Rain Forest visit in Costa Rica...after all the key word is rain.

I tied to watch my weight on the cruise, so I stuck with only two continuous meals a day. One in a AM and one in the PM continuously! Probably losing the weight I gained this past two weeks because I just don't feel like eating except for try toast and tea.

We meet a ton of interesting people. The cruise line had a military and veterans call similar to what Carnival had for us back when. We had a 103-year-old WW II Army guy who was a tanker in North Africa who told us stories about chasing Rommel all over Africa, outside of the old tanker and me, no one else opened their mouths.

See if you can spot "Jane" in the photo on the bottom left.

Regards,
Mike

Signed copies of his four books will be given out as door prizes at the Reunion.

T.H.E HILL

Wednesday, April 3, 2019

T.H.E. Hill, the author of *Voices Under Berlin: The Tale of a Monterey Mary*, served in ASA at Field Station Berlin in the mid-1970s, after a tour at Herzo Base in the late 1960s, following a tour at Fort Meade. Of Turkey, like the character played by James Earl Jones in the movie *The Hunt for Red October*, all he is allowed to say is "I was never here."

He is a three-time graduate of the Defense Language Institute (DLIWC) in Monterey, California, the alumni of which are called "Monterey Marys". The Army taught him to speak Russian, Polish, and Czech; three tours in Germany taught him to speak German, and his wife taught him to speak Dutch. He has been a writer his entire adult life, but now retired, he writes what he wants, instead of the things that others tasked him to write while he was still getting paid. What he has been writing are novels about life in ASA.

VOICES UNDER BERLIN: THE TALE OF A MONTEREY MARY

This is the story of a Monterey Mary ostensibly working the Berlin Tunnel (operation GOLD, covername: PBJointly) in the mid-1950s. It gives you an idea of what it's like to be an ASA transcriber.

The tenth anniversary edition of *Voices Under Berlin* has some bonus material, including a short story entitled "TUSLOG Det 4" (the U.S. Lunar Operations Group Det 4), which has the tag line "shining Diogenes' lamp on the dark side of the moon."

THE DAY BEFORE THE BERLIN WALL: COULD WE HAVE STOPPED IT?

This is the story of a legend that was still being told in Berlin in the 1970s: we had advance intelligence that the East Germans were going to build the Wall and didn't do anything to stop it.

REUNIFICATION: A MONTEREY MARY RETURNS TO BERLIN

This is the story of going back to Berlin 35 years after a tour at Field Station Berlin and reliving the memories of that time, while discovering that there was a STASI penetration back then, and ID-ing who it was.

IN THE LAIR OF THE COZY BEAR: CYBERWARFARE WITH APT 29

This is a novel about the Russian cyberspies who hacked the DNC, the White House, the Department of State, the Pentagon, and more, and the Dutch cyberspies who watched them. Original title: *In Het Hol Van De Cozy Bear* by F.W.A. van Nispen tot Pannerden, translated from the Dutch by T.H.E. Hill.

Asa Lives in the hearts and minds of those who served in it.

These novels will help to keep it alive a little longer.

Alas, poor Cold War, I knew it well. It was a war of most infinite jest and fancy, fought more often in the dark corners of the mind than to the death, but the lives of millions hung in the balance. It was a war without battlefields and monuments, but not without casualties. Major "Nick" Nicholson, the last casualty of the Cold War, shot by a soviet sentry in East Germany, was a class mate, and that makes it personal. My thyroid cancer was a wound received in the battle of Chernobyl.

Dick wrote to the editors of the DOOL with is bio:

Tuesday, April 02, 2019

After Basic Training at Fort Jackson, SC I attended Communications Center Specialist training at Fort Gordon, GA. As my graduation day neared, I anxiously awaited my next assignment. I was eager to put all that knowledge to work for our country! I wasn't really sure what all it would involve, but knew it would be interesting work.

Separately my Dad, Chief Master Sergeant Raymond Johnson, was serving in the Air Force Security Service (AFSS). He had recently been assigned to TUSLOG 3-2 at Samsun, Turkey. As soon as I received my orders, I went straight to a map of Turkey to see how close Sinop was to Samsun. Imagine my excitement to find that it was about 100 miles away! I wrote to my Dad and told him that I was going to be stationed in Turkey at Sinop and gave him my arrival date.

The flight to Ankara on Pan Am airlines was a long one stop trip. Upon arrival in Ankara, we (me and my buddy, Tom Ruger) were met and placed in a hotel for one night. We were told that we would be taking the Turkish equivalent of Greyhound from Ankara to Sinop. Next day, we were off on the bus trip from hell. Departure was delayed until late afternoon, so most of the trip over washboard dirt roads was at night. There were a couple of stops; one for food and a potty break, the other for just a potty break. I didn't eat anything, because I had no idea what they heck they were eating. Tom and I decided to buy two bottles of Raki and make do with that. Mistake! We were rather hung over when we arrived in Samsun the next morning.

Dick and his Father (CMSgt)
the day Dick departed Turkey.
Samsun, Turkey !967

As soon as we were off the bus, I called up to the base and asked for CMSgt. Johnson. When Dad answered I told him we were in Samsun at the bus station. He said he'd have a Jeep there in 15 minutes to pick us up. We had a great visit and at the end of the day, Dad called the First Sergeant in Sinop and asked if he could keep us in Samsun for a couple of days.

Since Det. 3-2 was the repair station for some of Sinop's critical gear and Dad was NCOIC the Precision Measurement Electronics Lab (PMEL) and repair shop, agreement was quickly reached. After a couple of days, we were flown on the mail plane (a U1A Otter) from Samsun to Sinop to begin our tour. Thankfully, we did not have to endure the bus trip from Samsun to Sinop!

Dad and I got to visit each other on several occasions, going back and forth on the mail plane. Sometimes, I'd escort secret gear down for repair and stay a day or so until it was fixed.

My tour was up after 11 months and 10 days, so I departed before Dad.

End

I've enclosed a couple of pictures. The first is of me during the blizzard of the winter of 1966. The other is of me and my Dad the day I departed Turkey for my next duty station at Two Rock Ranch Station. And one of me deer hunting in South Ga. My wife, Donna and I hope to attend the reunion in October, but our 7th grandson is due early that month, so we will have to see.

Luther wrote to the us about his many trips to the hospital this past month.

April 28, 2019

Merhaba All,

Dean asked me to let everyone know how I was doing health-wise.

I recently had a pacemaker installed and I am now doing well. If I can get past all these follow up appointments.

I was scheduled for an outpatient surgery with my urologist and had to go for an EKG before the procedure. It turned out that my heart rate was in the mid 30's. So that surgery was cancelled and followed by two weeks of wearing a monitor. The monitor showed my heart stopped beating several times on a couple of nights for 7-8 seconds.

Next came the hospital visit and the pacemaker. I am feeling great now and almost back to my normal activities. We hope to see you all in Virginia Beach in September. Best Wishes to all of you.

Jim sent us an interesting bio on himself.

Sunday, March 31, 2019

I joined the Army on August 27, 1961, and honorably discharged on August 27, 1964.

I took basic training at Ft. Jackson South Carolina until the early part of November 1961. I then went to Ft. Gordon Georgia for school as a 722 (Cryptographer). In February 1962, I then went on to Sinop Turkey (Det 4) via New Jersey, Frankfurt Germany, Vienna Austria, Istanbul Turkey, and Site 23 just outside Ankara Turkey. I was at Det 4 until February 1963 via truck convoy. The 2-1/2 were covered in plywood and traveled from site 23 to Samsun Turkey where we spent the night at an Air Force installation. This trip was through the Turkish mountains, snow and all, without the benefit of ANY heat in the back of the trucks. Sandwiches, milk, and juice froze, and we had to put them inside our field jacket and top coats to thaw and then consume. I was there during the Cuban missile crises. Tense to say the least! After Sinop in February 1963 I was shipped to Vint Hill Farms Station in Warrenton Virginia and discharged on August 28, 1964. I was promoted to SP/4 while at Vint Hill in August 1963.

Jess wrote the following about the "Manzarali Mauler" and himself:

3/8/2019 6:05

I began "The Mauler" in 1962, just before flying back to the states (with NO accrued leave time) and thanks to Major Hutchinson (head of S-2 at the time), I received 2 weeks of "advanced" leave (unheard of, I know) to fly home to Bakersfield, CA. and get married. Pat, my new wife (and later first kindergarten teacher at Manzarali), and I found an apartment in Ankara and spent our first 10 months together in Kavakladeri (probably misspelled).

Unfortunately, I had a position in HQ company with no chance for promotion so, within months, I was transferred to the post dispensary, working under Captain James Derby, our post M.D. It was great duty, but I did have to give up "The Mauler".

My wife and I had some terrific adventures in Turkey and I have never regretted the time I spent at Site 23.

I finished my Army "career" as editor of the Two Rock Ranch Bugle (an ASA post, just west of Petaluma, CA.) and my wife became one of the first graduates of a fledgling Sonoma State College...retired and headed for 82

Larry Peterson e-mail us about his military career.

4/9/2019 7:08

I entered the Army in April of 1972 (as my lottery draft number was "21"). I spent Basic and AIT at Fort Leonard Wood, Missouri (only 50 miles from my hometown!) For reasons unknown, during AIT, I was approached by ASA Office at Fort Wood if I had considered joining the Army Security Agency. (I think the word they used was being ..."attached" to ASA...). They asked me some questions about my personal life, etc. and told me I would have to go through a process of getting a security clearance. I was held in AIT during the security clearance process; and in the meantime, I did administrative jobs around the Fort. It seemed the process took forever!

Then one day in November, 1972 I was called into the ASA Office and they said "... you're going to (Sinop) Turkey....". Needless to say, I was shocked!

Sinop was my only tour of duty. I arrived on "The Hill" in December of 1972 and left in December of 1973. Because Sinop was considered a "hardship tour" and I only had 3-4 months left on my active military duty, I was given an early out. I do not know the exact date but I do have a copy of my DD 214 which shows my exact ETS date from the service.

Editor's Notes: Larry, thanks for your military bio. This will be his Larry's first reunion.

A final reminder ... last chance to register!

4/7/2019 12:52

The 2019 Ohio ASA Day is being held in Columbus on May 11th. So far, we have more than 60 people registered so this will be a good opportunity to meet other ASA Veterans from Ohio and other states, many of whom also served in Turkey.

In the morning we will be gathering for socializing, refreshments, a guest speaker and a short meeting. After a group lunch, we'll visit the new National Veterans Memorial and Museum.

Even though the registration period is officially over, we might be able to accommodate several more attendees. If you are interested, please contact me as soon as possible by phone or email to see if there are still some open slots.

I'm looking forward to seeing many of you at this event and at the ASA Turkey reunion in October.

Daryl wrote to the editors of the DOOL the following article:

Re the transmitters:

One man was working on one, with his dog-tag swinging a couple inches from one of the capacitors. Another man, walking by, said: "Raise up slowly, I have a question for you."

"Sure, what's the question?"

"Did you use the short-stick before going in there?"

"Aren't the interlocks supposed to take care of that?"

He then took the stick, touched the capacitor terminal, and there resulted a loud flash and bang!

Imagine 7500 volts on the chain around your neck! A sure way to ruin your day!

Interlocks can fail. This was before the days of lock-out tag-out!

Along the same lines, an antenna needed maintaining. Antenna crew asked for the transmitter to be shut down. When done, said to turn back on, but when he checked, found it had never been shut off!! Fortunately, it was SSB and no signal had been fed into it.

Also have an interesting story about grid leak. Grid leak was to the signal corps as prop wash to the Air Force, is send a new guy to central supply for 5 gal. of prop wash. (Neither comes in buckets)

ARMY SECURITY AGENCY / TURKEY REUNION GROUP

2019 REUNION LOCATION

VIRGINIA BEACH, VA

The **2019 ASA / Turkey Reunion will be held this year in Virginia Beach, VA.** It will be held at the **Springhill Suites** located right on the beach and along the three-mile boardwalk. It will **start on Sunday afternoon October 13th** and it will **end on Wednesday evening October 16th**. You will be checking out on Thursday morning October the 17th. Registration will begin on Sunday around 2:00 PM and it will be located inside the hospitality room. Additional information on the location of the hospitality room will be given in a later DOOL. Our special **ASA reunion rates will be good from Saturday October 12th thru Friday October 18th**.

There are 18 King Studio Suites, 18 Queen studio Suites and 4 handicap rooms reserved for our reunion. **The cost will be \$99.00 per night.** The rooms will be on a first come first served basis. Check in is 4:00 PM and check out is 11:00 AM. There will be **sales taxes added to our room rate** based on the current applicable state and local taxes plus a \$2.00 tax. Today's tax rate is 14% plus \$2.00.

Individual attendees will make their reservations by calling the hotel directly. The phone number to call is **757-417-3982**. There is also a link available for online reservations and it is "[Book your group rate for Welcome ASA Turkey Reunion](#)". When calling in you must identify yourself as a member of the Army Security Agency / Turkey Reunion Group (Don't use ASA) in order to get our special rate. **The rooms and the room rate of \$99.00 will only be good until August 29, 2019. After their cutoff date the hotel will accept reservations from attendees on a space and rate available basis.**

So please, if you are planning on attending the reunion make your reservation as soon as possible. **All reservation will require a first night deposit of \$99.00 plus all taxes.** If you will need to cancel your hotel reservation, you must do so 72 hours prior to your reservation in order to get a refund on your deposit.

The hotel provides complimentary indoor parking (one car only) for each room. Unregistered hotel guests should use the 9th St. city parking garage located across the street and there is a nominal fee.

The hotel along with the help of the reunion committee members will enforce the city ordinance regarding personal alcoholic beverage being consumed inside the hotel or on the hotel's outside property. Alcoholic beverages purchased from one of the hotel bars are allowed though. **Our reunion group can drink their own personal alcoholic beverages in our HOSPITALITY ROOM and in their own SUITE.**

Scheduled Tours

There are four field trip tours planned for this year's reunion. **These planned tours will only materialize if we get 35 individuals to sign up for them by August 1, 2019.** Reservations for each tour will be accepted on a first come first reserved basis. Your payment for these tours will not be accepted until the tours become a reality, which will be sometime in the middle of August. At that time, you will be notified by us that the tour(s) that you chose will become a reality or it was cancelled. The first three tours to become booked will be the only tours. The fourth tour will be eliminated because we only have three days available for touring the sites. If none of the planned tours receive the necessary 35 reservation by August 1st dead line, then there will be no tours for this year's reunion.

If you signed up for one or more tours, you will be picked up in the morning of your tour at the front of the hotel by bus and you will be returned to the hotel by the same bus. **The cost of the tour includes the cost of the bus, the tour guide and the admission charge.** Lunch is not included. You will be allotted time to eat lunch at the site.

There is a **separate registration form** for you to complete and send back to us if you are interested in participating in a tour(s). Just follow the instructions on that registration form.

The **four tour sites** that you can choose from are as follows:

- A. Touring "**Colonial Williamsburg**" – 8:30 to 4:30 \$84.00/person
- B. Touring the "**Reenactment Jamestown Settlement**" (run by CW) and then touring the original "**Historic Jamestown Island**" – 8:30 to 4:30 \$85.00/person
- C. Touring the "**American Revolution Museum at Yorktown**" and then touring the "**Yorktown Battlefield**" – 8:30 to 4:30 \$72.00/person
- D. Touring the City of Norfolk Sites & Area – **Nauticus** Complex, the **Battleship Wisconsin**, the **Waterside District**, cruise on the "**Victory Rover**" on a naval themed vessel, visit the **MacArthur Memorial** – 9:00 to 4:00 \$75.00/person

NOTE: The price per person does not include **Gratuities** for the tour guide or the bus driver and are at the discretion of each attending individual.

Tour sites synopsis:

Tour A

Depart via motor coach for the charming town of Williamsburg. Your tour guide will provide interesting and informative narration during the ride about the historic Virginia Peninsula and the Coastal Virginia area.

Experience a full day touring this living museum, with admission ticket providing entry into the many exhibition buildings, including the Capitol and the Governor's Palace. See the introductory film, "Story of a Patriot", tour historic homes, public buildings and 18th century craft shops where costumed hosts recreate the sights and sounds of America 200 years ago.

Guests will also enjoy free time to shop and browse in the many unique specialty shops in Merchants Square. High quality apparel, gifts, jewelry, beautiful furniture and holiday decorations are but a few of the offerings found in this quaint, picturesque shopping area. Guests may enjoy lunch on their own in one of the Colonial Taverns or in Merchants Square. The guide will point out all the dining options as you pass through town.

TOUR B

Board the motor coach with your tour guide and spend the morning at Jamestown Settlement. Established in 1607, this was the first permanent settlement in the New World. Guests will enjoy touring the re-created village of Jamestown which chronicles the nation's 17th century beginnings in Virginia in the context of its Powhatan Indian, English and western central African cultures. Jamestown represents an enduring legacy of language, culture and government. Through an introductory film, "1607: A Nation Takes Root," and expansive 30,000 square foot indoor exhibition galleries, guests will discover the political, social and economic factors that led to the colonization of the New World, the culture of the Powhatan Indians of coastal Virginia at the time of the English arrival, and the first century of the Virginia colony when Jamestown served as its capital. Outside, history comes alive in re-creations of a Powhatan Indian village, a colonial fort, and the three ships - Susan Constant, Godspeed and Discovery - that transported English colonists to Virginia in 1607. Costumed historical interpreters demonstrate work and everyday life of the era and engage visitors in a variety of activities. Lunch can be enjoyed on your own in the Jamestown Café and there will be time to browse the beautiful gift shop for unique "Made in Virginia" items.

Next, travel to nearby Historic Jamestown Island, original site of the first permanent English settlement in America in 1607. Exhibits include ruins of the 17th century settlement, a beautiful visitor's center as well as the 1639 Church Tower, the only 17th century building still standing at Jamestown, and one of the oldest English built structures in the United States. Also visit the Orchidarium, a newly built exhibition facility which displays and interprets the archaeological discoveries at the first permanent English settlement in the New World and the birthplace of America. The Orchidarium is built over the remains of the last Statehouse in Jamestown (1600-1688) and shows portions of the excavated ruins of the Statehouse through sections of glass flooring.

TOUR C

Join your tour guide on the motor coach and visit the American Revolution Museum at Yorktown, which tells anew the story of the nation's founding, from the twilight of the colonial period to the dawn of the Constitution and beyond. Exciting new indoor galleries feature period artifacts, immersive environments, interactive exhibits and films, including "The Siege of Yorktown," with a 180-degree surround screen and dramatic special effects. In the outdoor living-history areas, guests can witness artillery demonstrations, drill with wooden muskets at a re-created Continental Army encampment and explore a Revolution-era farm based on a real-life 18th-century family.

Enjoy lunch on your own in the quaint village of Yorktown.

Then visit the Yorktown Battlefield to see first-hand where the battles took place. Begin at the visitor's center and then view the Revolutionary War battlefields and associated sites. Your guide will point out areas of interest.

TOUR D

- Travel with your tour guide to **Nauticus**, a unique and thriving campus of visitor attractions that explores the economic, naval, and natural powers of the sea. Features here include a series of interactive exhibits, 3D, high-def films in the 250-person theater, and aquariums of marine life. Also housed here is the Hampton Roads Naval Museum, one of ten museums officially operated by the U.S. Navy. Highlights of the naval battles and exhibits of detailed ship models, artwork, and memorabilia are showcased throughout.
- A true highlight of any visit to Nauticus is a self-guided tour of the **Battleship Wisconsin**, one of the famous Iowa-class ships. This great ship saw action in WWII, the Korean War and most recently in the Persian Gulf War. The Wisconsin is permanently berthed beside Nauticus where it is accessed by a connecting walkway. Explore the main deck and recently opened portions of the interior to learn about this famous ship, those who fought and served on board and the role that this mighty warship has played in the defense of our nation.
- Visit **Waterside District**, Norfolk's unique waterfront festival marketplace located on the scenic Elizabeth River, for lunch on your own. Waterside offers a variety of eateries, from sit-down restaurants to casual counters. Indoor and outdoor seating are both available.
- Next cruise the **Victory Rover** through the bustling Hampton Roads Harbor, one of the largest in the world. Enjoy fascinating and entertaining commentary during

the two-hour excursion aboard this naval themed vessel. Take in the sights of aircraft carriers, nuclear submarines, guided cruisers and all the other ships that form the world's most powerful armada.

- Then, visit the **MacArthur Memorial** for a glimpse into our country's history. Here you will view the outstanding collection housed in Norfolk's historic city hall which trace the life and achievements of five-star General Douglas MacArthur. You could also view the short film which chronicles the General's life.

The General and Mrs. MacArthur are entombed in the rotunda of the memorial. Nine separate galleries arranged in two levels circle the rotunda and tell the story of General MacArthur and the millions of American men and women who served in the United States Armed Forces from the Civil War through the Korean War. A gift shop with unique memorabilia is located on the premises.

***IMPORTANT**

October is the touring company's busiest month of the year! Our tour(s) is on a **first come first scheduled basis** with all the other groups that are scheduling a tour with them. **We aren't guaranteed a tour until we have 35 people who have returned their registration forms to us.** If you really want to take one or several tours, then **send back your registration form today.**

You aren't required to send any money at this time, just the registration form.

The bus will hold approximately 50 people. However, 35 people are required to reserve the bus.
